## LOCAL SPORTS AND SCHOOL ATHLETICS.

## DANGEROUS WORK AT FAIRGROUNDS

Bad Spills Caused by Carelessness Jockeys-Otherwise Racing Card Was One of the Best.

by the carelessness of jockeys, yesterday's program of horse racing at the far grounds was one of the very best of the season. In the fifth race Aks Ar was caught in the barrier and in swerving about threw Jockey Otis, He was carried from the track while the erse continued the race riderless. On the far turn the horse fell and brought own Bung and Nappa, throwing Joekeys Harris and Johnson. The boys esaped injury aside from a few bruises and the horses were slightly hurt.

The worst accident of the day occurred in the last race when Rey Del Mundo was jammed against the rall during the ough riding of the boys, who were anxthe horse was thrown and Cavanaugh, he of the best jockeys at the track, had s foot caught in the rail and was hurld forward. His ankle was broken and was taken to St. Mark's hospital. Rey Del Mundo's shoulder was broken and the animal had to be shot. HORSE JUST SOLD.

About one hour before the fatal race. B Goodman had sold Rey Del Mundo or 1600. The horse was a six-year-old gelding out of Leola by Rei el Santa Anita. The animal was a good one and but for the accident would have been in ook two firsts and a second.

There was all kinds of excitement yes-

rday. Owners of Halton made charges of foul in the third race, claiming he was carried wide at the turn by the winner, Harris, riding Happy Chappy, elaimed that his horse was tiring and hat he ran wide despite his efforts to sevent it. A summary of the events

MANAGER AND CAPTAIN OF ATHLETICS AND A SCENE ON SEN SATIONAL TOUR.

splendid record of the Athletics to date is an instance of what competent management will do for a combination of ball players that is not up to championship caliber. Manager Connie Mack knows that on the surface his team is not considered first place material, but there have been many pennants won by inferior clubs guided by master managers. In Plank, Bender, Vickers, Dygert, Coombs, Salve, Krause and Flater. Manager Mack has one of the strongest pitching staffs in the American league. Captain Harry Davis, the veteran first baseman of the Athletics, is now playing the greatest game of his career. He is fielding in a sensational manner and hitting the ball at a great clip. TURF OFFICIAL IS BACK FROM SPOKANE

Jockey Club Officials Take Needed Action Against Those Guilty of Dangerous Practise.

Judges of the Utah Jockey club and a

number of indignant norse owners got together last evening and took steps to put a stop to rough and foul riding at the race track. Several jockeys have been guilty of this dangerous practise and as a result there were a couple of bad spills yesterday afternoon and the wonder is that some one was not killed outright. Jockey Cavanaugh had his ankle broken and Rey Del Mundo, a valuable horse, had his shoulder broken and had to be shot. Two or three other jockeys were badly bruised and shaken and all because some of the jockeys apparentnumber of indignant norse owners got were badly bruised and shaken and all because some of the jockeys apparently have no regard for their lives or anything else.

The turf officials have decided that this sort of thing must stop if it is necessary to rule off the track some of the guilty ones. It was decided to have patrols at the posts to watch the jockeys and those who persist in rough riding are to be summarily dealt with in the future. It is claimed that in yesterday's accident Jockey Sandy was to blame, but he is not the only one under suspicion. Nelson and Suritvan have been suspended pending further investigation of their die in the Hereafter-Strike Out mixup. Jarrett has been set down and Denny was laid off for 10 days. From the temper of the judges and other officials it is probable there will be a big shake-up if conditions do not improve,

HARD LUCK OF BOWLERS.

Anderson Seriously Hurt in Runaway Accident—Congress a Failure.

Pete and Jack Quinn, members of the Salt Lake bowling team that went to Seattle to attend the western bowling congress, have returned and the story they tell accounts for the poor showing made by the local bowlers.

On the night of the five-man competition, Anderson, one of the best men on the team, was struck by a runaway team and narrowly escaped death under a street car. He was taken to his room where his wounds were attended to. His arm was badly cut and he received numerous bruises. A substitute was secured just before the contest started. In addition to the accident to Anderson, Dave Margetts had a finger split open so it is no wonder the Salt Lakers did not make a better showing. Accident-Congress a Failure.

GOOD CARD OF BIKE RACES THIS EVENING

There is another good card of bleycle races at the Salt Palace track this evening. The main feature will be the match race between Ernie Pye of Australia and Walter Bardgett of Buffalo. This pair are evenly matched and a fast and exciting race should result. They will ride mile heats, best two in three and will be paced by Saxn Williams. The other events are as follows:

Two-mile open lap, professional, One-mile open (invitation), professional.

Two-mile lap handicap, amateur. Three-quarter mile open, amateur.

BOXERS ACCUSE PRICE OF CROOKED WORK

The Sinclair-Fitzgerald fiasco at the St. Regis club on Monday night last will not down. Following the announcement that Sinclair and Fitzgerald had been barred from the club, one of the club owners declares that Manager Price is not free from suspicion and that none of those who participated in the affair will receive a cent for their trouble. Now comes Sinclair and Fitzgerald with the following statement:

"We the undersigned, see by the daily papers that we are barred from the St. Regis club for faking our bout on Monday. June 1, and deem it to the interest of the public as well as ourselves and all concerned to make the following statement and show who was back of it all. A Mr. Walker was backing Fitzgerald to the extent of \$1.000. Tommy went to Manager Price and asked him to match him with Peanuts Sinclair, providing Price would take some of the side bet and make the match if Fitzgerald would agree to lose, for which Price agreed to pay us \$200 besides the purse. Knowing that Price has control of the club, we agreed to take the offer, After Referee Pete Sullivan had called all bets off, Price could not accomplish his purposes. The promoters, Manager Price and Treasurer Charles Bates, have refused to pay us the purse. Signed.

"TOM FITZGERALD."

### "PENNY" GOSSIP.

A noticeable feature at the race track yesterday was the absence of minors in the betting ring.

The Burlington baseball team defeated he Emmanuel nine yesterday afternoon, to 2.

The Pemroke team was beaten by the Brokers yesterday afternoon in a game of ball. The final score was 17 to 4. The game was played at Liberty park:

Pete Sullivan was seen tearing up South Temple street this morning, clad in a half a dozen or so sweaters. Asked if he were training for a fight Pete re-plied that he was simply "keeping in shape so as to be ready if anything turned up." Tuesday night at Rawlas, Wyo., Andy Malloy defeated Kid Gilsey of Denver in the twentieth round. Malloy writes that he had his man whipped in the seventh but that the referee gave Gil-

The Stanford track team which took second place at the western conference held in Chicago, passed through the city yesterday en route home. #The team did well and the members are satisfied with the showing made.

Manager Harry Lumley of Brooklyn has signed "Lanky" Anderson, the Uni-versity of Maryland pitcher. Anderson pitched five shut-out victories for the college nine this spring.

"Dots" Miller continues to cause hap-piness in Pittsburg. To jump from a New Jersey amateur team to the Pirates and make good is the stunt performed by "Dots" and one that is seldom coupled.

Dick Williams, owner and trainer of the Pasadena stables, was at the race track yesterday afternoon and said he was pleasantly surprised to find such an excellent course and well managed meetng. He goes to Butte for the meeting

E. J. Ramsey, who has a stable of 14 fine horses at the track, will take his string to Butte for the meating there next month. Mr. Ramsey feels keenly the loss of Jockey Jarrett, who was set down by the fudges and thinks, as do many of his friends, that the officials were too hasty in their action.

It looks strange to see Rochester leading the Eastern league. For several years past the guickest way to find out how Rochester stood was to begin at the bottom of the E. L. percentage table.

McAleer's St. Louis players declare that Criss is the champion "sky-denter" I the world. They claim that several balls hit by Criss have come down covered with snow and that one didn't come down until after the game was over, when it was caught by the ground-keeper.

On account of Doc Gessler's illness Harry Lord has been appointed captain of the Boston Americans. Aurelia Herrera, the Mexican light-weight, has returned to the game and will meet Chick Hudson in San Fran-cisco July 5.

A New York bookmaker offers even money that the Highlanders will not fin-is the season in the first division. Jimmy Clabby expects to be matched to box Mike (Twin) Sullivan, the bout to take place in San Francisco this month.

With Mathewson, Wiltse and Raymond pitching winning ball the Glants should be able to give Chicago and Pittsburg a little excitement.

Philadelphia baseball fans are hoping that Billy Murray's Quakers will make a better showing on the road than they did at home.

Not content with pushing the Boston Nationals in over their heads all the other National league teams are stand-ing on the Doves to drown them. The measure to legalize 10-round bouts has passed both branches of the Wisconstin legislature and awaits the governor's signature to become a law.

Both Joe Jeannette and Sandy Ferguson have returned from Parls and no doubt fhey will be matched for another bout in the near future.

Jim Coffroth has offered Jim Jeffries \$10,000 for a "make-believe" fight in order to get moving pictures of Jeff in the ring.

Pitcher "Dolly" Gray of Washington is beginning to show the stur that Manager Cantillon has claimed all along was in the Californian.

#### ATHLETIC VICTORIES DULY CELEBRATED

The High school gymnasium presented a lively scene yesterday when the students met and celebrated the numerous athletic victories which were gained by the school during the year.

The girls basketball team, which went through the season without a defeat, was presented with a picture of the team by Manager Lenor Bush. The football team was presented with a handsome picture by Manager Mercer Stout, who also gave to Coach Callahan a pin. The latter then presented members of the team with pins. The girls were given pennants for Dasketball victories and Manager Frank Cameron presented Robert Porter with a stickpin. A combined picture of the track and baseball teams was presented to the school by Louis Karrick.

The Fred C. Richmond, Jr., medai went to George Atkins, the remarkable young athlete who performed so well during the various track and field contests.

FALLS DEAD AT POST. Frank Gill Runs Second But Will Run No More.

No More.

Gravesend, N. Y., June 10.—Prank Gill, a chestnut horse, fell dead, probably from bursting of a biood vessel, after finishing second in the third race at Gravesend today. He was heavily played favorite at 1 to 2. He ran in second place all the way. When Scoville, his rider, pulled up on the lower turn he felt the horse giving way under him and jumped off just as Frank Gill dropped dead. Frank Gill was in the stud at a Kentucky farm for a season and was brought east this year to race, but has shown nothing like the form he displayed as a 3-year-old, when he defeated Peter Pan. He was 5 years old, by Collar-Ravello II.

KETCHEL WANTS JEFF TO REFEREE FIGHT

New York, June II.—Stanley Ketchel would like to have Jim Jeffries as referee for his coming fight with Jack Johnson for the world's championship at Coima, Cal. The Welt-can middle-weight arrived here early this mron from Philadelphia, with his manage Willus Britt. Speaking of the statement of Jeffries that he would take on Ketchel for the champrouship should he defeat Johnson, Britt said:

"I don't believe Jeffries would want to light Ketchel, Jeffries would want to light Ketchel, Jeffries wood want to light Ketchel, Jeffries that to have Jeffries referee the Ketchel-Johnson fight and will accept him in a hurry if Johnson makes no objection."

BIG RELAY RACE.

Chicago, June II.—John Svanberg, who won the derby Marathon here two weeks ago, will compete against two runners in a 15-mile relay race at Logan Square ball park June 19. Svanberg's two opponents, Thibeau and Im Red Cloud, will run 7 miles each. Swedish citizens of Chicago are promoting the event, which is to be in the nature of a testimonial to their fleet countryman.

KETCHEL'S CHANCES.

Betting in New York Brings Conditions Even in Wagers.

Now York, June II.—Following his fight with Jack O'Brien in Philadelphia Wednesday night, Stanley Ketchel's chances against Jack Johnson in their prospective fight have materially risen, according to the view of New York sporting men. A number of bets were recorded on Broadway last night, in which the backers of the colored champion compelled Ketchel's admirers to put up even money. Herefofore Johnson had been a 2 to 1 favorite. This change in the betting was effected by the argument that O'Brien had had an even-fight with Johnson in their six-round battle and that Ketchel had O'Brien helpless in less than three rounds.
